Getting to this case, did you receive drugs in connection with this case?</li></ol> | <p>Drug Lab</p> |
|---|-----------------|

9. What did you receive?

Pontes – 271 – 2 plastic bags

Pontes – 272 – 2 plastic bags

Farak – 1 plastic bag

8. Who receive from?

10. Show you Exhibit ?? (cocaine)

- How can you identify this exhibit as 1 you analyzed?

- What did you do with the bags?

Took a sample from 1

- Why not test both?

10. What do with the exhibit to test it?

11. Were you able to form an opinion as to what the substance was that you tested?

12. What was your opinion?

cocaine

12. Were those results memorialized anywhere?

**ENTER ANALYSIS**

- Thanks
